Quick Start Guide to Reporting in Nuventive for Administrative Units - AY 2023-24

Office of Institutional Effectiveness and Planning I George Mason University

Accessing and Navigating Nuventive

- 1. Log in to Nuventive (solutions.nuventive.com) using your Mason NetID username and password.
- 2. Once logged in you will be automatically taken to your program's **Home Page**.
- 3. If you oversee multiple administrative units, use the Organization drop down menu in the top middle of the screen to change units.
- 4. To navigate within Nuventive, use the **Menu** icon on the top left of the page to see different options.

Entering General Information

- 1. Select the Menu icon and then click **General Information**.
- 2. The general information page includes your mission statement, organizational structure, and assessment contact.
- 3. To enter this information for the first time, click the plus icon in the middle of the page or at the top right of the page.
- 4. To edit this information, click the three vertical dots on the right side of the screen and then select edit.
- 5. Once in edit mode, you can type directly into the **Mission Statement** and **Assessment Contact** sections.
- If you need to edit your organizational structure, select from the dropdown menus for Executive and Department/Division.
- 7. When you are finished editing, click Save. If you try to leave the page without saving, it will prompt you to do so.

Entering Goals

- 1. Select the Menu icon and then click **Admin Goals**.
- 2. To Add a New Goal, click on the plus icon on the top right of the page.
- 3. To Edit a Goal, click on the three vertical dots on the right across from the goal and select Open.
- 4. You will be able to type directly into the various sections where you can enter the Goal Short Name and the Goal statement.
- 5. When complete, click Save. If you try to leave the page without saving it will prompt you to do so.

Entering Objectives

- 1. Select the Menu icon and then click Admin Assessment.
- 2. To **Add a New Objective**, click on the plus icon on the top right of the page.
- 3. You will be able to type directly into the **Objective Name** and **Objective** statement sections.
- 4. Use the dropdown arrows to indicate the Assessment Period and whether your objective is related to Mason's Strategic Plan.
- 5. To **Edit an Objective**, click on the three vertical dots on the right across from the objective and select **Open**.
- 6. When complete, click **Save**. If you try to leave the page without saving, it will prompt you to do so.

Entering Assessment Method and Results

- 1. Select the Menu icon and then click **Admin Assessment**.
- 2. Open the objective for which you wish to enter the methods by clicking on the three vertical dots and selecting **Open**.
- 3. To enter assessment methods, click on the **Assessment Method** section title.
- 4. To create a new assessment method for the objective, click the plus icon on the top right side of the page.
- 5. To edit an existing method, click the three vertical dots and select **Open**.
- 6. Once in the new/edit page, enter your Assessment Method Name in addition to a Description and Achievement Target.
- 7. You can add **Supporting Documentation** by clicking the plus icon on the bottom right and pulling from your Document Library.
- 8. When complete, click Save. If you try to leave the page without saving, it will prompt you to do so.
- 9. To enter Results, click on the Results section title.
- 10. To create new results, click the plus icon. To edit existing results, click the three vertical dots and select Open.
- 11. Once in the new/edit page, you can enter your **Findings** information, reporting period, conclusion regarding whether you met your assessment target, the individuals responsible for that assessment and analysis of results.
- 12. Scroll to the bottom of the page to enter your **Actions and Improvement Plans** where you can outline past and future improvements as well as the date by which the improvements will be made and the individual(s) responsible for improvements.
- 13. You can add Supporting Documentation by clicking the plus icon on the bottom right and pulling from your Document Library.
- 14. When complete, click Save. If you try to leave the page without saving it will prompt you to do so.

Mapping

- 1. Use Mapping to link an objective to the goal(s) it supports. Select the Menu icon and then click Admin Assessment.
- 2. Open the objective that you wish to map by clicking on the three vertical dots and selecting **Open**.
- 3. Click on the Mapping section title. You will see goal names on the left side and the objective name at the top of the page.
- 4. Select the goal(s) the objective supports by clicking on the square(s). Click again to unselect the goal.
- 5. You can also view and edit mapping by selecting the Menu icon and then clicking **Mapping**. This shows all goals and all objectives.

Adding Documents to Document Library

- 1. Navigate to the **Menu** icon on the top left of the page and select **Document Library**.
- 2. Once in the **Document Library** you can create **New Folders** by clicking the **Folder Icon** on the top right.
- 3. When you go into a folder, you can **Add Documents** by clicking the **Page Icon** on the top right.
- 4. Select the file destination, name the document, and provide any notes you wish before clicking Save.
